

Modern Slavery and Human Trafficking Policy

Facilities Management Services UK Ltd are committed to driving out acts of modern day slavery and human trafficking within its business and that from within its supply chains, including sub-contractors, and partners.

The Company acknowledges responsibility to the Modern Slavery Act 2015 and will ensure transparency within the organisation and with suppliers of goods and services to the organisation. These as well as the suppliers of services make up the supply chain within Facilities Management Services UK Ltd.

We carry out due diligence on all of our major supply chain partners and will – for any new major contractor or supplier – take steps to ensure confirmation of their compliance with the Act.

A full copy of this policy will be accessible to all employees electronically and can be obtained from the Finance Director upon request.
